

HIRING TERMS & CONDITIONS

- Nets slots must be booked – no booking = no use! To book, please logon to <https://frcc.appointlet.com> and complete the booking form with at least 24 hours notice. Consecutive day bookings will not be authorised to ensure availability for all members.
- Any members wishing to use the nets, must have paid towards their annual subs as agreed with the committee
- Youngsters allowed to use the nets must be aged 12 as of 1st September 2019. There must be a responsible adult (the hirer), at the nets, at all times.
- There must be club representative (appointed person) in attendance for each booking, who will be responsible in ensuring all regulations are adhered to and access limited to those who have booked. It is the responsibility of the hirer to arrange a club appointed person from the list attached.
- Only one net will be available for use each session. Social distancing must be adhered to at all times. For example a bowler may not start their run up until the previous bowler has fully vacated the net. Those waiting must be 2 meters apart.
- Spikes are not to be used in the nets.
- The portable net, wickets and club bowling machine will not be available for use.
- Players may only use the nets with a maximum of 6 people and maintaining social distancing at all times.
- Sessions are maximum 1.5 hours in length. Users must adhere to these timings and leave promptly.
- Users must provide their own hand sanitizer, for use before and during the sessions. Plus for use on any items touched eg stumps, net poles
- Players must use their own equipment (including cricket balls) and remove it all at the end of the session. ALL players MUST wear protective equipment when batting – pads, helmet, gloves
- No spitting anywhere or using saliva on equipment (e.g. cricket ball)
- The clubhouse will not be open, therefore there will be no toilet or drinking water facilities. Hirers must not “use the bushes!” Ensure you go before you attend the net session!
- Hirers must provide basic first aid equipment (eg travel kit) to have with them during their session.
- Users must leave the nets clean and ensure no rubbish is left
- If the Head of Ground is cutting the outfield, it is imperative that all equipment and cricket balls are kept clear from him.
- If there are youngsters other than your own family, the hirer must possess a up to date ECB DBS, or a responsible adult from that family must also be in attendance.
- The nets are not to be used during bad weather (e.g rain). If it has been raining, please check your booking has not been cancelled.
- Check for symptoms of COVID-19. In line with current Government guidance, if you are symptomatic, living in a household with a possible COVID-19 infection or if you are classified as extremely vulnerable on health grounds, you should remain at home and follow Government guidance.
- If there are any breaches of the rules (e.g going overtime, attempting to use without booking), we will have no alternative but to close the nets.
